

# COVID SAFETY

## BEFORE

- If your child/any member or your household is symptomatic please **DO NOT** come to session.
- Parents should brief their own child on how to conduct themselves while at session with Score coaches and other children.
- Parents are asked to ensure their child has been to the bathroom before session.
- Parents and children should arrive and check in promptly with Score staff to help us with our Track and Trace system.
- On arrival, parents and children will be asked to sanitise hands and then directed where to go.
- Our Score Coaches will ensure all equipment is sanitised prior to each session.
- Children will then be briefed by coaches on their session/ how to conduct themselves throughout the session.

## DURING

- Regular drinks breaks will be given to the children. During this time please use this opportunity to sanitise.
- Players must stay within their group they were with during the whole of the session.
- Players will also complete their session with their own bib, ball and equipment, this will be their own for the session, this will then be fully sanitised after session.
- Social distancing will be implemented accordingly by coaches throughout sessions.
- Football matches will be **FULL CONTACT**, however drinks breaks will be given regular and this in an opportunity to sanitise.
- Sessions will be conducted without any goalkeepers, as well as restarted with kick ins, instead of throw ins.
- Parents are asked to refrain from fetching balls when the ball goes out of play.
- Parents are asked to attend their child's injury with advice given from our First Aid trained coaches.

## AFTER

- Sessions will finish 5 minutes early to allow children/ parents to gather belongings and leave the venue promptly.
- Parents and children are asked to maintain social distancing when leaving the venue.
- Parents and children are asked to wash their hands as well as sanitise at the earliest possible time to do so.
